

Healing YOUR Relationship with Money Guided Meditation

I am setting the intent that everything in this guided meditation is aligned with highest good of all and supports the spiritual evolution of each being with ease and grace. I am setting the intent that all energies exchanged between you and me will be love and only love and that nothing from our mental bodies or personality self/selves or ego or shadow side will enter into this recording or impact the transmission of the healing and enlightenment energies encoded on this recording.

Legal Stuff - Please note that this guided meditation and energy healing session is not intended to be medical or psychiatric treatment and/or a replacement for such treatment. All healing that occurs in any session comes from your soul and Spirit. I merely facilitate this process and set a space for the healing to occur. Also I ask that you not listen to this guided recording while you are driving or doing something that requires an active mental state of consciousness.

Part I: Healing and Clearing

Throughout this guided meditation we are going to be working with what the Angels are calling the Angelic Clearing, Healing and Upgrade Treatment for Abundance, Success, Employment and Prosperity.

The first part of this clears, heals and brings in an angelic love and healing wash for lack and scarcity consciousness, self sabotage, self imposed limitations, self destructive programs, patterns and behaviors as well as all financial trauma, anxiety, fear, stress, tension and worry. The second part of this clears, transmutes, heals and releases the emotional trauma, wounding, harm and damage associated with money, abundance, prosperity and success including healing for inner child and personality self around money, abundance prosperity and success. The third part of this treatment clears, transmutes, heals and releases what psychotherapists call financial disorders and conditions- things like money avoidance, financial denial, financial rejection, under-spending, excessive risk aversion, money worshipping, hoarding, gambling, taking too much risk, workaholism and over-spending/compulsive buying. There is a great book on this topic called Mind over Money by Brad and Ted Klontz that I highly recommend. The next part of this treatment includes some angelic love and healing washes to clear, transmute and heal issues around self esteem, self love, self confidence, self worth, self acceptance and deserving – especially deserving to receive. Then there will be some angelic transmissions to help you trust and forgive yourself, others and spirit for everything associated with money, employment, abundance, success and prosperity. The there will be angelic healing transmissions to help you heal on all levels your relationship with money. Finally there will be angelic transmissions to help you clear, transmute, heal and release all blocks you have to embracing, embodying and expressing the highest level aspect of your monad – the part of you that is totally unlimited, healthy, self loving, abundant, successful and prosperous.
